1.0 Please provide a general statement and/or parish identity and strategy from the Mission Leadership Team. (150-500 words)

(In 2017 and every fourth year thereafter, please respond to the following set of questions.)

2.00 If your Eucharistic Community were an individual person, how would you characterize his/her personality?

2.01 More extroverted or more introverted? (for this question and the four that follow, a 1 to 5 scale may be used if considered helpful)

2.02 More prudent or more adventurous?

2.03 Seeing the forest or seeing the trees?

2.04 More motivated by theological conviction or more motivated by pastoral/social concern?

2.05 Most decisions made quickly and surely or after long agonizing?

2.06 What are the particular passions of your Eucharistic Community? What do you care about the most? What gets you the most excited?

2.07 What are your particular gifts? Where do you excel? What are you known for in the secular community?

2.08 Give a brief (100 words) demographic profile of your (geographic) parish?

2.09 What are the principal sources of worry and concern for the people of your parish?
2.10 What demographic segment do you discern you are (or might be) called to connect with more proactively?

2.11 What is your plan for making that connection? (Be specific with goals, dates, and job titles.)

2.12 How can the diocesan family help with this effort?

(In other years, please respond to the following set of questions.)

3.00 Has your perception of your gifts or passions changed in the past year? How?

3.01 Has your perception of the demographic profile of your parish changed in the past year? How?

3.02 What progress have you made in the implementation of your mission strategy?

3.03 What are your new goals for the coming year?

4.0 Please provide a general narrative statement from the Rector/Vicar/Priest-in-Charge. This may be submitted as a second separate document, and considered confidential between the Priest, the Bishop, and the Department of Mission. (400-800 words)

The following questions are suggested for discussion, primarily to get a conversation started. They are not intended to be a part of the above questionnaire, and responses should not be part of the submitted report. They should be used only if they seem to have value, along with the self-evaluation that should be elicited from the above questions.

- If our church simply vanished, what would you miss most?
- When you think of our church, what is the first thing that comes to mind?
- For you personally, what is the most important program the church offers?
- What is the second most important for you?
- What programs should we have that are unavailable?
- Is our church doing everything we should regarding local/deanery/diocesan/national church outreach?
- Of the listed activities/involvements which would you rank as the most important to you and your family?
- How will the life and ministry of your church be enhanced by the positive implementation of some of the elements previously discussed. (Please be as specific as possible.)
- Are there pressing needs of our church not addressed by the topics discussed.
